

**REMARKS**

This Amendment After Final Rejection is submitted in response to the outstanding Office Action dated April 18, 2007 wherein the Examiner allowed claims 26-30, but rejected claims 18-24. Allowance of claims 26-30 is noted with appreciation.

Applicant has canceled the claims 18-24 in the application in order to place the application in condition for immediate allowance. Accordingly, applicant respectfully requests entry of the Amendment in order to place the application in condition for immediate allowance.

In view of the cancellation of pending claims 18-24 allowed, claims 26-30 are the only remaining claims in the application. Accordingly, upon entry of the Amendment After Final Rejection the application should be in condition for immediate allowance.

The Examiner finds that entry of the Amendment does not place the application in condition for immediate allowance, the Examiner is respectfully requested to enter the Amendment to place the application in better condition for appeal.

The Examiner is respectfully requested to reconsider the application at an early date with a view towards issuing an immediate Notice of Allowance. If upon review of the application, the Examiner is unable to issue an immediate Notice of Allowance, the Examiner is respectfully requested to telephone the undersigned attorney with a view towards resolving any outstanding issues.

Early and favorable action is earnestly solicited.

Respectfully submitted,

By:
